- Bicycle Mount
- Key Lock
- Secure Tablet Mounting
- For MDT665

The RAM-BIKE-02 is a bicycle mount for the Topicon MDT665 with a key lock. It is suitable for applications that require both stable mounting and an additional security mechanism.

Developed for mobile use, the mount offers a practical solution for courier, service and delivery applications.

Ideal for users who want to secure their MDT665 on a bicycle.

Compatible with: Topicon MDT665
